

Environmental Technician/Specialist

MACTEC Federal Programs is establishing a registry of qualified individuals for possible future employment as an Environmental Technician/Specialist at Travis AFB, CA.

The Environmental Technician/Specialist will be responsible for assisting with the management of hazardous materials and hazardous wastes throughout the base. Responsibilities will include AF-EMIS and/or EESOH-MIS hazardous materials data management, HAZMAT data input, conducting hazardous material site inspections, training of base personnel in data system use, and ensuring compliance with all federal, state, Air Force, and local regulations and instructions.

You must be personable and enjoy working with people. Minimum requirements include 3 years experience with the AF-EMIS program as an operator and at least a 2 year degree in a science related field. Must possess a valid state driver's license and be able to pass a drug screen and background check. Must possess strong organizational and interpersonal skills, and be able to communicate effectively orally and in writing. Training in the operation of the EESOH-MIS system, knowledge of hazardous waste, and management experience are considered pluses.

MACTEC offers a very competitive salary and benefits package. Send resume to: MACTEC Federal Programs, Inc., Human Resources/JD, P.O. Box 12077, Research Triangle Park, NC 27709-2077; FAX: (919) 941-0234; E-mail: JWDees@mactec.com EOE M/F/D/V
