### Job Description

W.R. Grace & Co., a leading Specialty Chemical Manufacturer headquartered in Columbia, MD, has a need for a talented, innovative Safety Supervisor for our Curtis Bay facility.

Our Ideal candidate develops safety programs and guidelines to ensure compliance with federal, state, and local regulations as well as Grace requirements and define responsibility. Assesses safety, industrial hygiene and security controls in place by making recommendations to the EHS manager for continuous improvement. Develops training programs to ensure compliance with local, state, and federal laws and regulations. Assists Business Areas in providing specialized safety, industrial hygiene and security training. Develops, in concert with, Corporate Industrial Hygienist an Industrial Hygiene Sampling Plan for site. Ensures the mechanical integrity of the fire safety system. Oversees contractor safety program. Compiles safety statistics for site and provide results to Corporate. Chairs Curtis Bay Safety and Health Committee. Tracks PIN Card and completion of other safety inspections and audit findings. Performs other tasks as assigned.

Must be able to motivate others and lead through example on an individual or team basis. Be able to handle multiple compliance tasks with minimal supervision. Individual must possess and be able to demonstrate a working knowledge of applicable regulations (OSHA, DOT, NFPA, & NEC) as they apply to laboratory, research, and manufacturing operations. Individual must have ability to work effectively and relate well with all levels within the organization, exhibiting a professional manner in dealing with others and working to maintain constructive working relationships.

Requires a Bachelor of Science Degree Preferably in Safety and/or Industrial Hygiene. Must have more than 5 years progressive safety and industrial hygiene experience in a manufacturing setting. Preference given to candidates with experience in a union environment and knowledge of security requirements for Chemical Plants. CSP or CIH or candidate to become CSP or CIH
